The data in **StudentTracker for Outreach Programs** is updated three times each term by the more than 3,300 institutions that participate in the National Student Clearinghouse. This ensures that you have access to the most current information available on your former outreach program participants' post-secondary attendance. Other benefits include:

- Allows you to query actual enrollment and degree records
- Includes enrollment data on more than 92% of all US college students
- Tracks college attendance, persistence and graduation anywhere in the US
- Provides data from both public & private institutions, including two-year/four-year, graduate, public/private, trade, vocational, etc.)
- Easy-to-use
- Instantaneous results
- Affordable – *only* \$425 per year
